The Share Options shall not vest until a period of more than 24 months has elapsed and only vest if the Grantee continues to provide service to the Group. Furthermore, the value of the Shares underlying the Share Options is linked to the future price of the Shares, which in turn depends upon the performance of the Group.

Having considered the above, the remuneration committee of the Board is of the view that the grant of Share Options without performance targets is market competitive and aligns with the purpose of the Share Option Scheme.

Clawback mechanism : Any Share Options granted under the Share Option Scheme shall lapse and not be exercisable if the Grantee ceases to be of service to the Group on the grounds including but not limited to, that the Grantee has been guilty of misconduct and cessation of employment.

Financial assistance : The Group has not provided any financial assistance to the Grantees to facilitate the purchase for Shares under the Share Option Scheme.
