VOLUNTARY ANNOUNCEMENT
THE SUCCESSFUL ON-GRID CONNECTION OF A 100MW
SOLAR POWER PLANT PROJECT IN SHANXI, CHINA

The board of directors of United Photovoltaics Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that our Datong Top Runner Project has successfully achieved on-grid connection and started generating electricity on 24 June 2016.

Datong Top Runner Project is a concentrated solar power plant project with an installed capacity of 100MW located in a national high technology demonstration base in Datong, Shanxi, the People’s Republic of China, where 3GW solar projects will be developed with approval from the National Energy Administration of China. The success of our Datong Top Runner Project shows the Group’s capacity in promoting technology innovation in the solar industry, and the efforts to support sustainable development of China.

You may refer to further details in the announcements of the Company dated 4 August 2015 and 18 November 2015 in relation to the development and construction of our Datong Top Runner Project.
